

FUJIN AND RAIJIN'S GIFT SOLUTION - RIP ON

Assemble pictures and use the given numbers to index into the person shown, forming trigrams. Use the given trigrams to form rhyming insults matching the given enumerations. New trigrams are in alphabetical order if matched to these enumerations, and should be rearranged to solve the final enumeration: BEAUFORT SCALE INTO RAP FOES. Each rhyme clues one of the twelve Beaufort levels of wind strength. Using that number as an index into each person's "Epic Rap Battles of History" foe spells IT'S RIP ON (apt for a "mock" battle).
