

AMATSU-MIKABOSHI'S GIFT SOLUTION - STELLA

The filled grid is shown below. Each of the listed items is a "mansion", or constellation in Chinese astronomy. Grid colors refer to a constellation's season (Azure, Black, White or Vermillion). The mansions are numbered canonically, so identify those numbers and convert alphanumerically to read the clue THE PINK MAD FOWL. Using the references to things catapulted across the sky and green pigs, determine that the pink Angry Bird is STELLA.
