

## OMOIKANE'S GIFT / META SOLUTION — CON-SOLAR

Each puzzle answer can be linked to one of the clues on Omoikane's scroll. Once Amaterasu's Mirror is revealed, solvers might note that the reversal of each answer, with a single changed letter, can suggest a different scroll clue. The exception to this are the clue "Overhauls, maybe", which has no corresponding reflection, and the reflection DIURNAL, which has no corresponding clue. Using the clues as links, a chain can be formed, with the unmatched components forming the ends (the "Overhauls" clue is starred to indicate the beginning of the sequence).

Overhauls, maybe	RETOOLS		
	SCOOTER	Vespa's kin	STELLA
	ALLOTS	Passes out, in a way	REDEALS
	SLANDER	Malign	RIP ON
	NO SIR	Negative	NAW
	WON	Captured, as one's heart	SEDUCED
	DELUDES	Tricks	FOOLS
	ALOOF	Unexcited-seeming	LANGUID
	DIURNAL	We have daytime again!	

Thus, when the sun goddess is miserable, we must do everything in our power to CON-SOLAR ("console her").
