TSUKUYOMI'S GIFT SOLUTION - LANGUID

The given clues refer to titles or expressions which contain possible nightmare subjects. These have been enumerated and illustrated, replacing the nightmares with animals of the same number of letters. In the enumerations, the nightmare/animal has been replaced with a scary-face icon. Note that illustrations are ordered alphabetically by nightmare. The nightmares and animals have exactly one common letter. The message derived by ordering those letters as below suggests the hymn title "Art Thou Weary, Art Thou LANGUID".
