

DANCING GIRL SOLUTION - OCARINA

Transcribing the notes given in each measure of music gives a word missing one letter. Each word is clued in a line of the song (except for the worthless free line), and taking missing letters in lyric order spells OCARINA.

A B B A G E B G G A G E

C A D E C E D F B B E D

D E C A F C F F E E F A C E C A D

A D G E

This worthless line I gave you free
 This tasteless bite, this tepid brew
 This trite arrangement: "do re mi"
 You saw at once that this was true
 And like that queen who left her throne
 And chose to lie upon a bed
 Of stone, with cool and measured tone
 "I'm no insipid jade" you said.
