

THE ISLAND OF THE CYCLOPES

- ~~Trapped in the cavern of cruel Polyphemus, his sinister, cold glare~~
- ~~Ever so vigilant, gazing with hate as he guzzles his crude wine.~~
- ~~Once he is drunkenly snoring, spring quickly to strike out his one eye!~~
- ~~Act as he howls at you helplessly; then you might slip through his blind grasp.~~

During his third voyage, Sinbad defeated a giant, man-eating cyclops by blinding it as it lay in a drunken stupor. This is all feeling a little bit familiar, like something done more than once ...
